1) INTRODUCTION & BACKGROUND

Contract type:	Consultancy and Services
Duration of assignment:	08 Days
Type:	Firm / Individual or both

Background of Project & Assignment:

WWF-Pakistan with the financial support of FCDO, implementing a project titled, "Scaling up nature-based solutions for improving integrated water resources management and enhanced water security in Pakistan". The project aims to pilot Nature-based Solutions (NbS) at selected locations in Gilgit-Baltistan and Khyber Pakhtunkhwa in partnership with relevant stakeholders. Water management for improving the health of natural ecosystems, better water resource management, and livelihood improvement will be outcomes of the project interventions

WWF-Pakistan under the WRAP project aims to promote agricultural water stewardship through the introduction of less water-intensive crops and improved water productivity for fruit orchards via demonstrations and trainings. In this regard, WWF-Pakistan is planning to conduct comprehensive training/demonstrations on on-farm management of crops and techniques to improve water productivity for fruit orchards. These trainings are aimed at introducing sustainable farming practices including irrigation methods and farming behaviors, with a focus on fostering agricultural water stewardship among the farming communities in Gilgit-Baltistan. Moreover, the intervention will help enhance the agricultural productivity in the region.
