The verification of the expenditure of WWF Pakistan will be done by voucher list and certificate of an independent auditor / chartered accountant. And, if requested by the primary donor, additionally by presentation of original documents. Income expenditure and transfers of WWF Germany are not part of this audit and will be checked by the primary donor in Germany.

2. GENERAL CONDITIONS

1) The WWF-PAKISTAN reserves the right to reject or accept any proposal. The WWF-PAKISTAN reserves the right to proceed with the implementation of any Service, in whole or in part, as described in the proposal.

2) The WWF-PAKISTAN reserves the right to engage in discussions with any BIDDER to clarify responses or discuss specific issues with regard to the proposal or services requested. The WWF-PAKISTAN has no obligation to notify the other BIDDERS of the discussions, clarifications, or other information provided by a BIDDER. Any additional information required for the preparation of the BID shall be distributed to all participants at the same time.

3) The WWF-PAKISTAN reserves the right to award the proposal based on experience, qualification, completion date, service cost and other criteria, and not necessarily the lowest price.

4) Based on the RFP BID, WWF-PAKISTAN is entitled to change/replace or omit any clause/part of the preliminary defined scope of services of the proposal. The WWF-PAKISTAN shall conduct negotiations with WWF to achieve full compliance with the requirements.

5) The WWF-PAKISTAN reserves the right, in the event the successful CONSULTANT fails to comply with the terms and conditions as listed, to cancel this contract and award it to another CONSULTANT without penalty or action against the WWF-PAKISTAN. The RFP does not constitute an agreement or order.

6) The RFP is not a binding agreement between the parties; submission of a proposal or response by a proponent is voluntary.

7) By submitting a bid, the BIDDER is deemed to have acknowledged all of the undertakings, specifications, terms and conditions, WWF Fraud and Corruption Prevention and Investigation Policy and WWF’s Environment Social & Safeguard for consultant agreement and to be bound by them if the BID is accepted. All expenses incurred by the Bidder in connection with the preparation of its proposal are to be borne by the RFP participant, and the WWF-PAKISTAN shall not incur any obligation whatsoever toward the Bidder regardless of whether such bid is accepted or rejected.

3. PURPOSE

I. Objective of the Consultancy:

The Project Sustainable Management of Mangroves Ecosystem and Enhance Resilience of Communities in Indus Delta, Sindh, Pakistan requires annual financial audit of financial statements for Jan23 to Dec23. We will require the financial audit of this project is that the auditor expresses an opinion of financial year 2023 (Jan23 – Dec23).

Financial statement present a true and fair view of the financial position and performance of the entity. Financial statements are prepared and presented in accordance with the applicable financial reporting framework and funds which were issued have been used for the purpose of project.
II. **Specific Tasks:**

- During the examination, the chartered accountant shall pay special attention to the following aspects and reflect his findings in the “Auditor's certificate”
- General assessment of accounting: is the accounting accurate and complete?
- General assessment of project documents: are all project related documents complete and correct?
- The financial report, which must show all project-related income and expenditure. The auditor must confirm that all income and expenditure has been documented by underlying vouchers.
- Income: Has the executing agency received any project related income apart from the funds transferred by WWF Germany or the mentioned third party funding from the financial plan? E.g. interest on bank account, sponsoring or the like or other income generated from project activities. If so, are these amounts reflected in the financial report?
- Checking that the financial resources are being used appropriately in accordance with the planned project objectives and measures
- Checking the efficiency of expenditure in terms of the financial resources to be used economically and as thrifty as possible
- Exclusive use: Have all goods which have been purchased with the project funds been and are being exclusively used for the project? (e.g., Project Car, other goods)
- Staff cost: verification of staff cost and staff related cost like social security contributions with regard to local customs and in compliance with employment contracts and the laws of the country
- Comparison of budget and actuals based on the final approved version of the budget
- Check of the economic and appropriate use of the project equipment, including check of whereabouts of inventory, its appropriate use and documented handover
- Verification of compliance with all agreements fundamental to the project, such as contracts, guidelines of the German executing agency and the funding guidelines
- Verification of details on the expenditure list:
  - Does each transaction contain information on:
    1. Date of payment (to the final beneficiary)
    2. Concrete purpose/reason for payment (such as meeting with management committee) and nature of expenditure (example: For trips: trip on (date) by bus/by car from...to...; For events: Title and location of event)
    3. Amount per final beneficiary in the currency of payment
- Separate and correct entries in voucher list: each position in the expenditure list can only cover costs of one BMZ budget line. It is not possible to merge costs of different BMZ budget lines into one position in the expenditure list. Expenditures can be gathered to one receipt and thus also displayed as one booking in the accounting system when the following criteria are fulfilled:
  - Each single amount is below 50 EUR
  - All expenditures come from the same BMZ budget line
  - Proof of payment (=receipt) exists and contains the following information: date of expenditure, each Beneficiary’s name, specific purpose of payment, amount and signature of each beneficiary confirming receipt of funds.
- Original receipts: Do all positions correspond with original receipts (i.e. invoices, proofs of payment) and do these receipts show:
  - The Engagement Global project number
  - Final beneficiary (recipient of the payment), reason and date of payment
  - Proof of payment (e.g. bank account information or a stamp “paid”)?
- Actual balance by end of project: The auditor shall assess the actual balance of the project executing agency by the end date of the project, based on (1) total eligible expenditure (including staff costs and match funding) and without reported costs which are not eligible ; and (2) income: total income (including funds from WWF Germany and own contribution from project executing agency as well as any other project income, e.g. interest received, if applicable)
